**Kamloops**  
AT SUPERIOR SHORES

## what is a kamloops?

Kamloops, or “loopers,” as locally known, are Lake Superior rainbow trout. First introduced to Lake Superior in 1976 from the French River Hatchery, today’s loopers are actually a result of a domesticated strain of West Coast steelhead. Want to see the world’s biggest Kamloops? Head to our lounge, and check out our tiled fish table!
