

## *The only thing we overlook is Lake Superior!*

Greetings from Superior Shores! We are delighted that you are considering our facility as a possible site for your wedding and reception. Listen to the majestic sounds of Lake Superior while you say your vows on our 2,000 foot pebble beach; host the party of your lives in our 3,700 square foot ballroom, complete with a private patio and lawn space; then soak in your Jacuzzi and curl up in front of the fireplace in your room – you will have all of that here!

Our professional, courteous staff aims not only to meet, but exceed every expectation surrounding the most memorable day of your lives. We have many different options to complement your special day; indoor and outdoor ceremony sites, banquet options including formally plated dinners, self-serve & family-style meals, and appetizers; all of this in addition to our award winning lodging.

With so much to do on the North Shore, it may be hard for your guests to decide what to do first. We are the perfect base camp; just minutes away from two Minnesota State Parks, Gooseberry Falls and Split Rock Historic Lighthouse. Your guests can take in the splendor of the North Shore; hiking, biking, agate hunting, and listening to the waves and waterfalls. People young and old never tire of watching the 1,000 foot ore boats come through at the break water in downtown Two Harbors, just a half mile South of the main lodge. We are located just a quarter mile from Lakeview National Golf Course that offers lake views and spectacular wild life. We are day trip distance from Duluth, Grand Marais and Ely, towns that offer history, shops, galleries, and quaint personality. On-site we hope you will enjoy our gift shops, pools, hot tubs or a crackling bonfire on the beach.

*We are waiting for your call!*
